REISTERSTOWN RECREATION COUNCIL TACKLE FOOTBALL PROGRAM

This program has been designed for participation by the entire family. Reisterstown and surrounding areas can be proud of their various civic groups, leaders and businessmen who have contributed their time and money for the success of this program.

The Football Committee of the Reisterstown Recreation Council would like to publicly thank the many people who have given their time to insure a successful season.

THE PURPOSE OF THE PROGRAM

The purpose of this organization is to provide a tackle football program under the direction of the Reisterstown Recreation Council. The primary purpose of this program is to provide as many boys as possible a chance to play tackle football under supervised conditions. While it is important to develop a winning attitude in a program such as this, the idea of winning with only the exceptional player being given a chance to play is not the primary purpose. WINNING WILL AT ALL TIMES BE SECONDARY TO THE GOOD OF THE PLAYER.

JAYCEE JAGUARS

A WORD ABOUT OUR SPONSOR

The Reisterstown Jaycees, young men between the ages of 21 and 35, have served our community for fifteen years. At the State Jaycee Convention in May, 1972 the Reisterstown Chapter was named the Number One Chapter out of the eighty-three existing Jaycee Chapters in Maryland.

The Jaycees have just completed over the Labor Day weekend a most successful "Happy Days Festival" including an Art Show, Flea Market, Sky Divers, Miss Happy Days Contest, Tennis Tournament, Antique Car Show and many other activities geared for all ages and varied interests. This is the second "Happy Days Festival" and the Chapter hopes to make this an annual event.

In addition to sponsoring the Jaguars, these busy young men will run over one hundred projects this year including a Walk for Your Community, Local Junior Miss Pageant, Foreign Orphan, Junior Bowling Tournament, Fishing Derby, establishment of a group home for teenage girls and many, many more.

We wish the best of luck to the Jaguars and success for the football program.

THE SNOW QUEENS

Approximately ten years ago Mrs. Ethel Martz had a dream and three children, which was the beginning of the group who are now the Snow Queens. The group is open to boys and girls from seven to seventeen for twirlers, drummers or color guard. Over the ten year period, from Mrs. Martz dream to today, the group has had as many as eighty-five boys and girls participating.

The Snow Queens have marched in eleven parades this year and have won five awards in very stiff competition. The group has approximately fifty members now and is open to anyone interested in becoming a twirler, drummer or a member of the color guard. The group meets every Tuesday from 6:30 pm to 8:30 pm from October 1, 1972 to January 1, 1973. There is a recruiting fee and weekly dues. For further information call Mrs. Ethel Martz at 356-7059.

The Majorette Corps is taught by Mrs. Debbie Ensor and the Drum Major in Jim Jeppi.

Senior Leader is Ania Harris, Junior Leader is Lisa Reynolds. The Snow Princesses have Joyce Grapes as leader of the Beginners and Sandy Braun as leader of the Tots.

The Football Committee would like to extend their appreciation to the Snow Queens for participating in our opening of the 1972 football season.
